Dear Cris,

Thank you for agreeing to come to our district to conduct an appraisal on a donated piece of artwork. Your professionalism and quick follow-up was greatly appreciated.

The thorough report you submitted allows us to better understand exactly what we possess and to better appreciate its significance and beauty. We also appreciate your offer of cleaning and prevention of any long-term damage or deterioration.

With the possibility of obtaining more artwork in the near future, I look forward to working with you on upcoming appraisals.

Sincerely,
